Dear loving K.H Kemerich and all our dear members of the Organization

Loving and prayerful greetings from Home of Peace. Hope you all are in good health. We remember with gratitude your help in the previous years and thank you a lot. Hope you will continue to help our poor disabled children this year also.

School reopened on 2nd June after the summer vacation. All our children are promoted to the higher classes. 2 Boys passed 7. They left because boys have accommodation here only till 7. They got admission in an institution of poor disabled boys run by Carmelite priests. One girl passed 12 and joined in the college for degree. Now we have 33 children including 9 new admissions (17 girls + 16 boys.) We have enclosed their photo. One small girl is absent in the photo. She is in the hospital for an operation for her legs.

On 15th we celebrated the Independence day of India. Yesterday we celebrated Orphans Day of all the Orphanages of this district. The celebration was in the Parish hall near us. Our children performed a group dance. Their photo is enclosed.

All our children are very happy. They have Onam festival holidays for 10 days next month. They will go home to enjoy the holidays. Love from all children. Hope you will reply soon.

Yours lovingly

Sr. Vimal S.D.

Secretary
